- **Core Technologies**: HTML, CSS, JavaScript, React, Next.js, Mocha test framework, TailwindCSS
- **Tools & Workflow**: GitHub, Git, Netlify, Figma,
- **Languages**: Portuguese (Native), English (Fluent), Spanish (Advanced), German (Working Proficiency)

PROJECTS

Vans Rental Platform | Live Demo | GitHub
React, React Router, MirageJS, CSS

- Developed a responsive platform connecting van renters with hosts, creating an intuitive booking experience.
- Used MirageJS to simulate API responses, ensuring realistic testing without needing a live server.

Portfolio Website | Live Demo | GitHub
React, Next.js, CSS

- Designed and developed a personal portfolio website to showcase projects, with a focus on smooth, interactive navigation and mobile responsiveness.
- Implemented effects to improve user engagement and highlight project showcases.

Harmony Hub – E-Commerce Music Store | Live Demo | GitHub
React, JavaScript, Chakra UI

- Created a comprehensive e-commerce platform with a dynamic product carousel and simplified checkout process.
- Optimised state management to deliver a consistent, smooth shopping experience across devices.

PantryPal - Smart Kitchen Inventory App | Live Demo | GitHub
React, Next.js

- Designed an app for tracking pantry items and suggesting recipes using a public recipe API.
- Created a responsive user interface to provide a seamless experience across devices.

The Little Lemon Restaurant Web App | Live Demo | GitHub
React, Chakra UI, JavaScript

- Built a responsive web app for a restaurant, including table reservations and weekly specials.
- Focused on creating a dynamic user experience with a responsive navbar and smooth navigation.

WORK EXPERIENCE

Wish-Lift Online Coaching
Founder and Coach | Dec. 2019 – Present

- Launched and scaled an online fitness coaching business, leveraging web development and SEO strategies to attract and retain clients.
- Designed and optimised the website, ensuring intuitive navigation and performance to improve user engagement and client acquisition.

PureGym
Personal Trainer | London, United Kingdom | Mar. 2015 – Dec. 2019

- Delivered personalised fitness coaching, achieving a 25% increase in client retention through progress tracking and customer relationship management.
- Developed strong communication and problem-solving skills, fundamental in building client trust and adaptability in team environments.

CERTIFICATIONS & COURSES

Scrimba Frontend Developer Career Path
Scrimba / Mozilla MDN | Jun. – Oct. 2024

- Completed 4 months of modern web development training, covering React, JavaScript, HTML5, CSS3, and Git through hands-on projects.
